Operational/Administrative Report:

Lippert states that Southwest Systems came and jetted the 5000 linear feet of sewer pipe. It was pretty clean he reports. We pumped out the detention tanks, which usually happens in April, so our total suspended solids came back in higher than usual. We did have a few unusual high spikes in our flows. The new aerator came in and has been installed. The old one did last 26 years.

Adjourn

Motion by to John Houser adjourn the meeting at 7:13 P.M. Rick White seconded the **motion** and *it passed*.
