Public Comment:

Approval/Review of Consent Agenda:

A **motion** was made by Candy Meehan to approve the minutes of June 14, 2017, and the bills & accounts for July 2017. Kerry Welch seconded. *Motion passed unanimously.*

Renewal of Hotel/Restaurant Liquor License For the Lone Cone Restaurant and Saloon:

Clerk Wells submitted a memo and it is attached. However, since the owner of the Lone Cone Restaurant and Saloon passed last week and there is no will the license will not be renewed. All proceedings are in probate.

Administrator's Report:

Grafmyer talked with Lynn Black San Miguel County Commissioner about the broad band cables being installed in the raw water trenches. SMC will pay for the cable out of the general fund because they can't spend Dola funds until all easements are done. She also said Deeply Digital is interested in paying for cable to put in the easements. As far as the \$25,000 donation for raw water from the county, Black isn't sure how to implement it, but she wants to keep it simple. Grafmyer said Region 10 has funding from the small change grants for the signs that WEEDc has proposed. Grafmyer will apply for that grant. Trustee Meehan suggested we ask the school to make the sign instead of paying \$14,000 for the sign that is being proposed. Jamie Shapirro from Downtown Colorado Inc. contacted Grafmyer about an economic study for the region. He is doing so through WEEDc. He is not asking for money or services, he would just like a letter of support and for the town to sign an assurance agreement. Candace Kjome made a **motion** for the Town of Norwood to write a letter of support for the economic study being done by Jamie Shapirro from Downtown Colorado Inc. and to sign the assurance agreement. Kerry Welch seconded and *motion passed unanimously.*

Regular Session 7:00 p.m.

Norwood Community Center

Public Works Director Tim Lippert asked the Town of Norwood for reimbursement for his CDL physical. After discussion, the board all agreed that Lippert should have filed for reimbursement from his insurance the town provides and declined to reimburse him.

Public Works Report – Public Works Director Tim Lippert: Lippert reported everything is going well for his department. He also wanted the Board to know San Miguel County is going to spray for weeds this summer.

Marshal’s Report: Marshal Mike Wilkerson: A report was submitted by Wilkerson and it is attached.

Special Committee Reports / Announcements:

Trustee Kjome reported that a citizen, James Bates, asked her if the town could put a sign by his house on Summit Street that said no idling by the water shack. Kjome asked if the town could do a town ordinance saying no idling. Marshal Wilkerson reminded her that would also mean no idling to warm cars up in the winter too. He suggested looking at moving the entrance and exit around the water shack to make it so the fill up is on the west side. Wilkerson and Grafmyer will look at that option and report back to the board. Kjome also stated she is worried about deer migration since the property across from her on Mesa Street is fenced. She wanted everyone to be aware of it.

Adjourn: A **motion** was made by Kerry Welch to adjourn the meeting at 7:40 p.m. Candy Meehan seconded and ***motion passed unanimously.***
