

Public Notice

The Norwood Water Commission has deemed necessary to move into a water restriction plan that will restrict all but domestic/household use and use essential for agricultural, industrial, or commercial enterprises, **No outside watering**. This plan includes allowing trees and shrubs to be watered one day a week to keep them alive. **This plan is effective immediately.** The Norwood Water Commission appreciates your cooperation and assistance in helping conserve water for use in the future months. Please call 327-4288 with any questions you may have.
