Which type of Raw Water Irrigation Tap are you applying for:

Remote Raw Water Tap (Raw Water Station Access)

Residential Raw Water Tap (Raw Water Tap on Residential Property)

Please initial each item below to acknowledge that you have read and agreed to the following:

___ I understand that water can only be used at the address for which the RWIS Tap has been purchased for.
**Any violations nullify and void the Tap with no refunds of any kind. **

___ I understand that the Raw Water as provided by the Norwood Water Commission (NWC) is for domestic irrigation purposes only, as allowed by Federal Law.

___ I understand that only **Remote Raw Water Taps** are transferrable to a physical location within the Raw Water infrastructure boundaries and that a \$100 administration fee will be charged when a **Remote Tap** is transferred.

___ I agree to provide and allow access for NWC employees to access a standpipe at my property line as well as access via primary Raw Water lines. Owner must pay for the service line installations beyond the main line.

___ I agree that the Public Works Director reserves the right to any and all inspections throughout the installation of the service line, not limited to, but specifically prior to the line being buried. Prior to tying into the main Public Works Director will be contacted for main line hook up.

___ I agree to pay an annual use fee of \$150 per year for unmetered raw water. Raw water is to be provided during the irrigation season, which time water is on can vary year to year. Annual use fee must be maintained each year, or the Raw Water Irrigation Tap will be turned off until fees have been paid in full.
